

NEWSLETTER NR. 4

Interbourse Squaw Valley is less than ten days away. Thank you all for registering via the Interbourse website. This newsletter is to update you on what to look forward to at Squaw Valley.

First, let's talk about the weather. Squaw Valley has received 8 feet (2.5 meters) of snow in the last 10 days. This recent snow sits on a great base established in December. The forecast calls for one more day of snow prior to Interbourse. The current long-term forecast predicts dry sunny weather during Interbourse week. Bring your sunscreen!

Theme Night Welcome Party – We had the Beach Party at Mammoth but this year we will celebrate the belated 50th anniversary of San Francisco's Summer of Love. Channel you best Janis Joplin, Grateful Dead, and Jefferson Starship attire from that historic Summer in 1967.

Gala Night – No Black Tie needed this year. Choose your preferred style of Alpine Chic or casual business attire.

Download the app – Squaw Valley has a great app. Download to receive updated weather and trail information. It also lets you track friends on the mountain.

Thank you, Sascha S., for organizing bus transfer from San Francisco to Squaw Valley. If anyone has questions regarding separate travel logistics or places to stay and visit pre or post Interbourse please email Billy at ibpacific@gmail.com.

The Resort at Squaw Creek has a rental shop in the complex. Be sure to pack your swim suits. The terrace deck at Squaw Creek has a fabulous outdoor pool and collection of hot tubs.

I want to give a huge thank you to all our sponsors. We have many first-time sponsors that we are sure will want to be a part of Interbourse for years to come. A special shout out to iOV42, our largest sponsor. Please be sure to thank our sponsors in person and visit their websites to learn more.

Final program on www.interbourse.org

All the best and safe travels!
Billy and IB executive
